

MRS. WARREN IS FINED \$8,000 FOR SMUGGLING

NEW YORK, Nov. 18.—Mrs. Warren, prominent French re-
fugee, was fined \$8,000 by Federal

Judge Manton today for smuggling.
Mrs. Warren, who is the wife of a
prominent architect, had pleaded
guilty to four counts in an indict-
ment alleging she made a false re-
port to the customs inspectors upon
her return from France two years
ago. Judge Manton said her delin-
quency had been from being given a
false passport.

President's Check in Aid of Y. M. C. A. Service Fund

THE COMMERCIAL NATIONAL BANK

WASHINGTON, D. C. Nov. 15, 1917

PAID TO THE ORDER OF John B. Lerner, Treasurer \$100.00
One hundred 00/100

No. 1981

TAFT HERE TODAY TO AID Y. M. C. A. PRESIDENT GIVES

Former President William Howard
Taft today joined Washington cam-
paigners of the Y. M. C. A. war work
council in their campaign to raise
\$100,000, this city's allotment of the
\$25,000,000 national fund for relief
work in the training camps and at the
front in France.

The former President was expected
to arrive from New York this after-
noon in time to deliver an address in
the interest of the Washington cam-
paign at the Belasco Theater at 3:30
o'clock and return to New York to-
night. Other prominent men will
make addresses, and the Marine Band
will give a concert. Kenneth Clark,
who has been organizing singing
units at the different encampments,
will lead the audience in singing pa-
triotic anthems.

In many of the District churches
today ministers appealed to their con-

gregations to help the Y. M. C. A. war
fund, and in quite a number of the
churches collections were taken up.

Subscriptions of \$10,000 were re-
ported last night, and the leaders were
confident they would be successful in
completing the \$100,000 allotment by
tomorrow night, when the campaign
closes, as a great many districts were
still to be canvassed. There was also
to be taken into consideration sub-
scriptions from prominent individuals,
who had not been asked to give in

the regular solicitation.
At the meeting last night of the
secretary, Director John B. Lerner, of the
Pan-American Union, said that Gen-
erals Haig and Potin were interested
in the success of the Y. M. C. A.
campaign in America and considered
the work being done by the Y. M. C. A.
of importance. Director Haig re-
cently returned from the battle
front in France and said that the Y.
M. C. A. men were considered in-
valuable to him off duty, allowing them

to engage for a little while fatigue
of service and counteracting the so-
cial evils of Paris and other cities.
F. W. Whitehair, recently returned
from France, will be the speaker at
the concluding meeting of the cam-
paign tomorrow night. He will make
an address on the Y. M. C. A. last
under shall be.

Officials in charge of the campaign
are delighted with the enthusiasm
which the contribution of \$100 from
the President has aroused.

Important Message From Herbert Hoover

"I feel it my duty to emphasize that the
food situation is one of the utmost gravity,
which, unless it be solved, may possibly result
in the collapse of everything we hold dear in
civilization. . . . The only hope is by the
elimination of waste and actual and rigorous
self-sacrifice on the part of the American
people."
